No:

Subject: Project Warranty Period

Dear Jon:

Alstom Power Conversion hereby advises that the warranty period for Adjustable Speed Drive Unit 2D, supplied under Contract No. 04-45605, has expired as of 3/29/05.

As described in Contract 04-45605 Part E – Division E2, Section 1. **Equipment Warranty**, the “...*Equipment Warranty Period shall be twelve (12) months from the date the Equipment is placed into operation or eighteen (18) months from the date of last major shipment, whichever occurs first.*” The established warranty start date, as advised in ALSTOM letter AP-IP-L-025, dated March 31, 2004, was 3/29/04 with an expiration date of 3/29/05 based on first occurrence of the specified conditions.

ALSTOM will replace those parts returned following the completion of commissioning of drive units 1C & 1D.

In the event that any equipment or system fails from now going forward, please notify our Customer Service Department at 1-800-800-5290. Our Customer Service Department will assist with identifying and ordering of replacement parts.

Please be assured that our established project team will be available to provide assistance to you and work closely with the Customer Service Department in any issues during the execution of the remainder of the contract.

Subject: Project Warranty Period

Dear Jon:

Alstom Power Conversion hereby confirms the completion of provision, installation and commissioning of Adjustable Speed Drives 1C & 1D supplied under Contract No. 04-45605 in accordance with the contract specifications.

As described in Contract 04-45605 Part E – Division E2, Section 1. **Equipment Warranty**, the “...*Equipment Warranty Period shall be twelve (12) months from the date the Equipment is placed into operation or eighteen (18) months from the date of last major shipment, whichever occurs first.*” The established warranty start date will be 4/25/05 and expiration will be based on first occurrence of the specified conditions on 4/25/06.

In the event that any equipment or system fails to perform during this warranty period, please notify our Customer Service Department immediately at 1-800-800-5290. Our Customer Service Department will assist with your warranty claim and instruct you on the Return Material Authorization (RMA) procedure.

Please be assured that our established project team will be available to provide assistance to you and work closely with the Customer Service Department in resolving your warranty issues during the warranty period.

It is a pleasure working with you and your associates on this project and we look forward to a continuing mutually beneficial relationship with IPSC during execution of the remainder of the contract. We will work on completing the few outstanding items on drive units 1C & 1D within the next 30 days.

Sincerely,

Stephen P. Klein
